U.S.A. vs. Leslie Anne Patterson

Docket No.

[0542 5:16CR00511]-[002] PB

Petition for Action on Conditions of Pretrial Release

COMES NOW Gilbert Maldonado, pretrial services/probation officer, presenting an official report upon the conduct of defendant Leslie Anne Patterson,

who was placed under pretrial release supervision by the Honorable Stephen W. Smith, sitting in the court at Houston, Texas on the 16th date of December, 2016 under the following conditions:

Please see Appearance Bond and Order Setting Conditions of Release dated December 16, 2016. Pretrial Services respectfully alleges the defendant has violated condition 8(p) which states the defendant shall refrain from use or unlawful possession of a narcotic drug or other controlled substances defined in 21 U.S.C. § 802, unless prescribed by a licensed medical practitioner.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

On January 12, 2017, the defendant reported to our office in Houston, Texas and submitted a urine sample that subsequently tested positive for amphetamine. In addition, the defendant provided urine samples on January 18, 2017 and January 23, 2017 which tested positive for amphetamine. The defendant denied any use of illegal drugs. The specimens were sent to an independent laboratory and were confirmed positive for methamphetamine.

Assistant U.S. Attorney Priscilla Garcia was contacted and is in agreement with this recommendation.

PRAYING THAT THE COURT WILL ORDER that a warrant be issued for the defendant's arrest so that she can be brought before the Court to show why her bond should not be revoked.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on 02/14/2017
